

GREEN CLEAN

DIY Home Cleaning Supplies

Glass Cleaner

- 1 cup distilled white vinegar
- 1 cup water
- 1/2 teaspoon liquid dish soap (optional)
- 3-8 drops of essential oil (optional)

Fill a spray bottle with vinegar and water and shake. Add essential oils of your choice if you don't like the smell of vinegar.

Fizzy Toilet Treatment

- 2 cups baking soda
- 1/2 cup citric acid
- 2 tablespoons hydrogen peroxide
- 10 drops lemon essential oil
- 10 drops peppermint essential oil
- Ice cube tray

Combine ingredients in a large bowl and stir. Scoop a little less than a tablespoon of the mixture into each ice cube tray compartment. Allow to dry overnight, then carefully turn the tray over to remove tablets. Store in an airtight container for up to 2 months.

Place a tablet in the toilet. Allow it to fizz and sit for 15 minutes before flushing.

All-Surface Spray

- 2 teaspoons washing soda
- Hot water
- 1/4 teaspoon liquid castile soap
- Essential oils (optional)

Mix washing soda and hot water in a spray bottle, shaking until the washing soda dissolves. Then add the castile soap. Add essential oils of your choice for a fresh scent.

Spray on surface then let sit for a minute or two. Wipe off with a cloth.
